

Single-Handedly Save a Relationship: New Book, The Missing Piece, Provides a One-Person Solution

Feb 18, 2025 — For more than 14 years, Stacey and Paul Martino have helped thousands of people around the world through live events and programs with their unique Relationship Development® Methodology, which empowers just one person to transform a relationship — without compromise, without pleasing and without couples work.

And now, their groundbreaking method is accessible to everyone in their new book, *The Missing Piece: A Proven Method to Single-Handedly Transform Your Relationship and Create Harmony in Your Home*.

“Our mission is to flip the switch on the disposable relationship paradigm we have been handed and make the future better for our kids than it was for us,” Stacey Martino said. *“We wrote this book because it is the solution I wish I had when my relationship was hanging by a thread over 20 years ago.”*

In *The Missing Piece*, the Martinos demonstrate why the old relationship paradigm is broken, why couples work is actually destructive, and how their norm-shattering one-person methodology can be easily learned by readers to empower them to single-handedly transform their marriages, put a stop to relationship kerfuffles and bring harmony back to their homes.

“Whether the reader wishes to transform or rescue a marriage, heal a co-parenting relationship, fix a relationship at work that is causing stress or solve a kerfuffle with a family member or friend, this book has the perspective shifts they’ll need,” Paul Martino said.

Written in a relatable and actionable style, *The Missing Piece* is packed with practical tools and demonstrates how one person can begin to transform a relationship, without compromise or pleasing, and without having to convince their partner to get on board. At a time when divorce rates are sky-high and families are unnecessarily suffering, *The Missing Piece* provides proven, powerful strategies to help readers navigate real-life situations harmoniously, regardless of what they are currently facing.

“Multiple publishers have informed us that there has never been a book published that promises a one-person relationship method before,” Stacey Martino added. *“But this isn’t just a theory or idea. Our Relationship Development Methodology has been proven by many students, over many years. Now it’s your turn to finally get the missing piece.”*

About the Martinos

STACEY & PAUL MARTINO have helped thousands of people to single-handedly save their marriage, bring the passion back, eliminate the fighting, and bring harmony to their home. (all by working with only ONE spouse)

The Martinos invented the Relationship Development® Methodology. For over 14 years, they have empowered thousands to transform their marriage, parenting, family, work and community relationships.

During a 6-year study of student results, the students in their RelationshipU® program had a 1% Divorce Rate, over 6 years!

The Martinos have shown that couples work, doesn’t work; marriage issues are not mental health issues, and that relationship is a skill-set and it can be learned.

Stacey & Paul have been featured by experts like Russell Brunson & Tony Robbins and have been seen on ABC, NBC and many other news outlets around the world. Their new book, *The Missing Piece* is published by Hay House. You can connect with The Martinos at relationshipdevelopment.org
